

Joy- A study of Phillipians. Reading and questions for Week 1-March 1st.

Read the Book of Phillipians twice (It's only 4 short chapters!)

1. Who was Paul and what was his connection to the church of Phillipi?

2. What was Paul's purpose in writing the Letter to the church in Phillipi?

3. One of the main themes in Phillipians is "Joy". How does the world's definition of Joy differ from that of the church's teaching? How would you personally define happiness/joy in your life?

### **Responding in Prayer**

Pray that God will reveal Himself to you during this study and during Great Lent.
